Friday, October 6th: NO SCHOOL

Tuesday, October 10th: School wide Fire Safety Presentation

Wednesday, October 18th: CANDY SALE

Thursday, October 19th: Pumpkin Path Field Trip *Slips will go home soon*

Reminders

This Thursday is our Jog-A-Thon!! Please help your child practice their school spirit and our class cheer at home. (Our class cheer is on the yellow paper in their folders)

*Don't forget to bring a sack lunch this Thursday for the Jog-A-Thon. A snack will be provided 😊

Phonics/Reading

Each week during class, students will be coloring and taking home their own "decodable readers". These do not need to be brought back to class. They each contain key words and letter sounds that we work on in class, so please take the time to read through them once or twice with your child. Our focus in phonics will be on the short u vowel, and consonants qu and z. This week we will be reading about a cat named Gus that takes a train ride! 😊 We will also be learning about adjectives, describing words, and synonyms, different words with similar meaning.

Bible

Our theme this month is Self-Control. We will continue our study of the bible in chronological order, but we will try focus of stories that show examples of self-control.

Book-it

I've put a book-it calendar in everyone's folders today. Students are to read each day and when they do, they fill in their calendar. If they completely fill in their calendar that month, they can return it to me for a pizza certificate.

If you have any questions or concerns, please feel free to email me (fhills@canyonsidechristian.school) or talk to me before or after school!

Ms. Francesca
