

K-5 News Note
Mrs. Cunningham
October 12, 2017

Dates to Remember:

- **Oct. 19-Pumpkin Patch trip!** There is a sign-up sheet outside our classroom if you would like to help. All parent helpers will need to follow the bus to the VandenBosch Pumpkin Patch. We will leave at 8:45, and return at 11:00. Make sure to dress for the weather. We will be outside the entire time.
- **Oct. 26-Character Parade-** Our Character Parade will be at 9:30a.m. Each student needs to find a book and dress up as a character in the book (parents provide the costume). No scary costumes please. This is a regular day of school.
- **Nov. 1 & 2- Parent Teacher Conferences-**Conferences will be from 3:30p.m. - 7:00p.m. Please let me know right away if you have a day and time preference otherwise we will give you a time. If you have other children we will make sure they are scheduled back to back.
-

BIBLE:

We read about the Tower of Babel and how the people wanted to rule the city, and how God mixed up the languages. Our memory verse is...
Genesis 26:24 (NIV)

"I am the God of your father Abraham. Do not be afraid, for I am with you."

PHONICS:

Keep reading with your child. Our little book this week is, "I Like Mm". Our new sight word is, *and*. We are starting to concentrate more on letter sounds. We will be starting to decode words soon! Please be guiding your child with their homework practice. Please try to find the time to let your child log in on the website and do the assignments there.

Show and Tell is only on MONDAYS.

Remember, your child needs to bring in **one** item. If they forget they can bring in an item the next week. 😊 The item should fit in our show and tell box. Thanks for helping your child with this.

Pizza Hut Reading Logs!!

We will soon be to the end of the month with our reading logs for our Pizza Hut Book-it. Be sure to read every day with your child and initial and color the date you or your child has read.

MATH:

We are continuing to count by 1's and 10's. We are talking about pennies, taking inventory and recording our answers. We have learned to write numbers 0-10. We are talking about a Ten Frame and what it is used for.

SCIENCE:

We are talking about fire safety and bats this week. Next week we will talk about bats and pumpkins! How do you grow a pumpkin? What is inside of a pumpkin? Is a pumpkin a fruit or a vegetable?

Note: Please have your child use the bathroom before they come to class. I have a lot of students wanting to go as soon as we sit down to start our lesson. 😊

Have a great weekend! God Bless,

Mrs. Cunningham
