October

23rd-27th

Week 8

THIS WEEK'S HIGHLIGHTS

We had another great week in third grade. We got two new classmates when our butterflies emerged from their cocoons. We had fun learning how to measure and convert feet in inches and vice versa.

Our next big activity at CCS is our annual Character Parade. Students will need to pick a character from their favorite book and come to school on October 26th dressed as that character. Students may bring clothes to change into for recess. I will be sending out a schedule in their green folders for the times parents may join us. We will have a class party on October 27th to celebrate the light of Christ.

Reading – This week's story is "What Do Illustrators Do?"

Math- We will start a new unit this week. Unit three will cover story problems and how to find words that will help us know what the question is asking us to do
