Our Learning

This week we learned about the letter i. We heard the sound i makes and words that start with i. We read a book about Eskimos, then made an igloo out of marshmallows. We talked about Indians and made fun crafts! We even had an ice cream party! In math, I have been using technology to get the kids excited and engaged. We used the storybots site and the students all took turns solving addition problems. In Bible, we listened to the "Perfect 10" song, sat under a tent (used to describe a Tabernacle), and learned that our God shows us mercy! We have also been talking about our blessings! Our memory verse is
Psalms 107:1
