## Our Learning

What a fun week we have had. The fire department came and talked to us about fire safety. We learned about the letter F. We talked about fish, frogs, and the season fall. In our Open Court curriculum we started to talk about families. We learned that all families are different. We have introduced what opposites are. In math we continue to work on our number recognition and tracing. This week we played a math game that helped us determine which set had "more", "less", or "equal" number of objects. In Bible, we heard the story of Jacob and Esau. I played a trick on the students to illustrate greed, which Jacob shows in the story. We learned that we can never do anything to earn God's love. I am so blessed to be teaching such sweet kids!

## Home-School Connection

Please be working with your child on writing their name. Also, don't forget to be reading for the October Book It!

## Reminders

We collect box tops. I have placed a paper that you can glue your Box Tops to or just send them into me. Thanks!
