## Our Learning

Wow, we are already through our second week. This week we talked about "Monster Manners". This is a theme I am using for classroom management. You can see our poster displayed in the classroom. If you have any questions about this, please let me know. This week we introduced the letter A. We found out who has the letter a in their name. We learned words that begin with the letter a, and we heard an apple story. We are working on our tracing skills. For Bible this week, we talking about how God made everything. I talked to the class about prayer requests. At the end of each day, I ask the class if they have any requests. I am so blessed to have your child!! Also, thank you so much for bringing in extra supplies that I asked for!!  
You guys are awesome!!

## Home-School Connection
