Weekly Focus

Essential Question: How do tools help us do things with our hands?

Sight Words: I like the and

We are still working on beginning sounds of words as well as punctuation.

We will focus on the letter Ss and the sound it makes this week.

New sight word cards are being sent home today. Please add this to
your set. Each week I will send home the newest sight word to add to
the ring. Please review these with your child every night.

*We have been through our alphabet once and are saying good-bye to a daily
Show-and-Tell. Your child is welcome to bring any item of their choosing on
Thursdays.*

What we're Learning

We begin each day with our bible story. We are working our way
through the bible from the beginning. This week we are focusing
on Moses—from baby to exodus. We will learn that God is our
strength and we can always count on Him.

This month's theme is pumpkins, bats and spiders. We have creepy
crawlers already decorating our room! Students will have fun
exploring with hands-on activities, art projects and science books
that bring them all to life.
