Weekly Focus

We have begun learning each letter of the alphabet and will continue to do so. This week we will start a show-and-tell. Students are encouraged to bring in ONE item that matches the letter of the day-for example, alligator for "A" or a bear for "B" (no live animals please). Our letters for the following week are:

9/11-Letters Aa and Bb

9/12-Letters Cc and Dd

9/13-Letters Ee and Ff

9/14-Letters Gg and Hh

Homework is coming home today. Although optional, it's a great tool for your child's development. They do get a special treat if returned.

What we're Learning

Apples! We are focusing on apples as a theme of this month. We will count them, taste them, use them as art and read stories about them. We will continue our regularly scheduled routine of math and phonics as well. For the apple tasting, I ask that each student provide one apple for the class by 9/14.

We have adopted a new language arts curriculum-Journeys. Please see the attached memo with your child's *thinkcentral* login and username. Here we can provide some digital homework and reading assignments. You can go there now and work on the alphafriends cards with your child.
