Weekly Focus

Essential Question: Why do we have rules at school? **Sight Word:** like

We will be moving from rhyming words to beginning sounds and punctuation. Nouns are also a focus this week. Sight word rings and cards are being sent home today. This is a learning tool to be kept at home. Each week I will send home the newest sight word to add to the ring. Please review these with your child every night.

This week's show and tell letters are:

9/25-Letters O & P

9/26-Letters Q & R

9/27-Letter S

9/28-Letter T

What we're Learning

In Math we are working on vocabulary such as attendance, double-checking and attribute. Students are having fun comparing the math materials found in our classroom.

We are still learning about apples. How they grow, how they taste and the many colors and types. Johnny Appleseed day is coming up and will be filled with more apple facts and fun.

Please talk with your child about keeping their hands to themselves as this is becoming a problem in our class. We are addressing the Fruit of the Spirit LOVE with lessons on respecting our class, our friends and our school.
