(more info to come)

The weather is getting chilly and
unpredictable. Please send children to
school with proper outside attire for
recess.

Memory Verse

"Be kind and compassionate to one another."

Ephesians 4:32a

Weekly Focus

Essential Question: Why do people have to take care of their pets?

Sight Word: the

We are still working on beginning sounds of words. We will also be finishing up our alphabet introductions this week.

New sight word cards are being sent home today. Please add this to your set at home. Each week I will send home the newest sight word to add to the ring. Please review these with your child every night.

This week's show and tell letters are:

10/2-Letters U & V

10/3-Letters W & X

10/4-Letters Y & Z

What we're Learning

In Math we are counting, learning shapes and maintaining our calendar routine. We will continue our math and language arts workshops with Mrs. Cunningham's class every afternoon. The students like this opportunity to learn with new faces.

October is here and bringing with it Fall and pumpkins! We will begin exploring pumpkins along with bats and spiders.

Our sight words are leading into reading! I encourage reading daily with your child. Please use the attached Book It Calendar to keep track of your reading to earn pizza for your child! You can return this calendar at the end of the month.

Contact Me

The best way is through written note, email or in person
at the end of the school day.
