

3rd Grade All-Star News

December

11th – 15th

Week 15

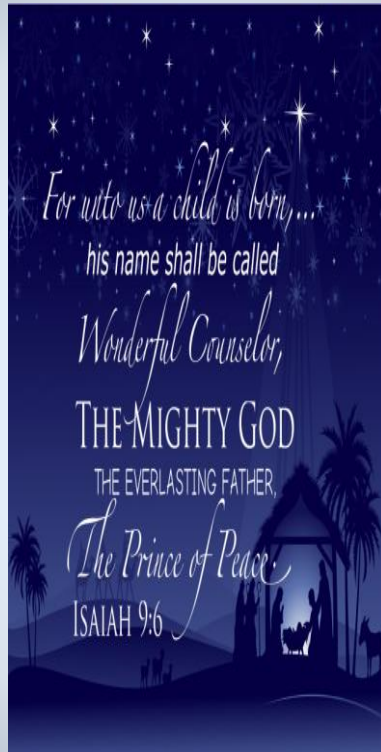

THIS WEEK'S HIGHLIGHTS

We had a great week in third grade. We learned how to convert measurements while making our friendship bread as well as the types of change the ingredients went through to become bread and then fuel for our bodies.

Your child will need to bring a pair of socks (unstuffed) as well as a book for our gift exchange.

Please remember your child will be going out each day for recess. They need to bring a warm coat, gloves, and something to cover their ears.

Reading – This week's story is "Aero and Officer Mike"

Language-

Prefixes and pronouns

Spelling- ar, or, and ore

Science-

sound

Math- angles
