Reminders

- PLEASE REMEMBER warm clothes for you child at recess, it's been very cold! Feel free to leave an extra coat for your child, if you have one!
- CCS Auction is fast approaching! **Ticket prices this year are \$15 each.**

Table of 8 for \$100

Table of 14 for \$150

More information will be sent home soon, but if you have any questions, please feel free to ask me or the office!

Phonics/Reading

This week in phonics our focus will be on the long A vowel spelled ai and ay. We will also learn about contractions 'll and 'd. This week we will read **Where Does Food Come From?**. This is an informational text that will tell us all about different types of food and where they may grow, be made, or eaten. Talking about different types of foods or restaurants your family knows is a great topic to discuss at home this week! 😊

Grammar/Writing

This week we are learning about the names of Months, Days, and Holidays. Most of the kids are familiar with all of these, so hopefully we can make up some fun activities this week. We've been talking about personal narratives in writing, and this week we will work on writing a friendly letter/card. If your child brings home any writing this week, please encourage them to use friendly words when writing.

Math

In math we will be focusing on different strategies for adding and subtracting whole numbers. This will be a nice change to math because now we will have the chance to build on the concepts we've already learned. Again, if you notice your child having any troubles in math, please let me know! Things are getting harder, so I don't want them to miss out on important things!

Memory Verse

Here is our memory verse for the month of January! 😊 We will recite it Friday!

Psalms 28:7

"The Lord is my strength and my shield; my heart trusts in Him, and I am helped. My heart leaps for joy and I will give thanks to Him in song."

If you have any questions or concerns, please feel free to email me (fhills@canyonsidechristian.school) or talk to me before or after school!
