Weekly Focus

Sight Words: are now

We have just focused on new sight words-what and you. We also spent the week adding Ff sounds to our reading and word building. This week we will be adding the Bb sounds to that mix.

Our Essential Question of the week is: Where do different animals make their homes? With this theme we will be able to add to the research we've done on animals and create a presentation.

What we're Learning

We have jumped back into our spot in the Old Testament and have begun reading about David and his rise to king. The kids have enjoyed hearing of his adventures. We are also leading chapel this month! Our class will be sharing our Superhero Training and how to be more like Jesus. You are welcome to come at watch!

Math continues with weights and measures, counting, adding and pennies. The students like the variety that our math time offers.

The weather is really chilly and we go outside for recess. Please bring in an extra set of gloves (a hat, too!) that we can keep in your child's cubby.

Remember their heavy coats, too! Thank you!
