Weekly Focus

Essential Question: What can we see in the sky?

Sight Words: review of all

We are reviewing our latest unit of sight words and letter sounds. We will work on spelling, word building and blending sounds to grow more readers! Your student has improved so much!

We are still working on our animal fact posters and will hang them in the hallway upon completion. Please encourage your student to do some research at home with your guidance. I can't wait to hear the facts they learn!

What we're Learning

We are also leading chapel this month! Our class will be sharing our Superhero Training and how to be more like Jesus. You are welcome to come at watch as we sing, recite memory verses and help lead the story.

Counting, adding, pennies and the number of the day have taken over our math time together. We recognizing and writing our teen numbers.

The weather is really chilly and we go outside for recess. Please bring in an extra set of gloves (a hat, too!) that we can keep in your child's cubby.

Remember their heavy coats, too! Thank you!
