Special Notes

March 9: School Auction

The theme is 'Farm to Table' and our class is doing a Farmhouse Kitchen motif for our entry into the silent auction. I will be sending complete letters home as to what will be needed to move forward. Thank you!

Memory Verse

"I can do all things through Christ who strengthens me."

Philippians 4:13

Weekly Focus

Essential Question: What kinds of things do scientists study?

Sight Words: is of many how so where

We are moving into a new unit and going strong! The sight words are being increased and we are actively reading in class. This is so exciting!

We are learning more about punctuation-what it looks like, how to use it and what to do when reading. Specifically this week-questions.

We are introducing a new vowel sound into our letter knowledge, the letter Ii. We will use the long and short sound of this vowel in our new words.

What we're Learning

Our Bible studies have led us through David and now we're learning about the many kings that ruled God's people. This is our last week leading chapel! I have enjoyed spending this extra bible study time with your child and I pray they enjoyed leading this month. Jesus is the ultimate superhero and all we need to do to be like him is to walk with God.

The weather is really chilly and we go outside for recess. Please bring in an extra set of gloves (a hat, too!) that we can keep in your child's cubby.

Remember their heavy coats, too! Thank you!
