

# 3rd Grade All-Star News

January

22nd – 26th

Week 19

## THIS WEEKS HIGHLIGHTS

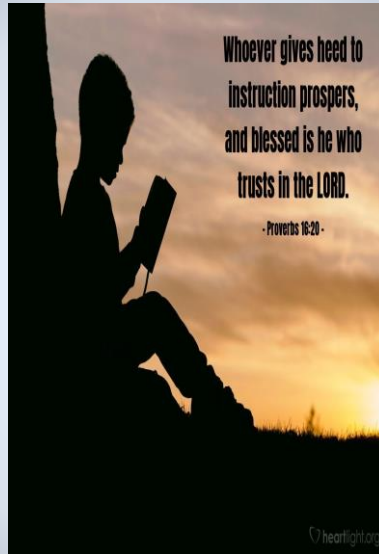

**WOW!** We had so many amazing inventions. I am so incredibly proud of the students and the creativity and hard work that was demonstrated through their projects.

We will no longer be doing a Landform and Human Body project as stated at the first of the year. Please watch the newsletter and Friday folders for what will be taking their place.

We will be taking a field trip to the Craters of the Moon on Feb. 2<sup>nd</sup>. I am looking for parent drivers and chaperones. Please let me know if you would like to attend.

I also want to say a heartfelt thank you for allowing me to teach your amazing children, and for the many prayers that you have said for my family. I have been truly blessed by my CCS family.

**Ugly Sweater Day Jan. 25th**
