## Upcoming Dates

Tuesday, February 20<sup>th</sup>: Money Due for auction item. Please bring in \$7-\$10 to cover the cost of our item.

February 27<sup>th</sup> & 28<sup>th</sup>: Traditions Photography

## Reminders

- Our school auction is fast approaching! Our class project is turning out great, and we've worked hard to get most materials donated, but there has still been some cost come out of pocket. **We need each student to bring in \$7-\$10 to cover costs.** Please try to bring in the money by next Tuesday, February 20<sup>th</sup>. Thank you so much for your help!
- PLEASE REMEMBER warm clothes for you child at recess, it's been very cold! Feel free to leave an extra coat for your child, if you have one!
- **There have been so many students and teachers sick this new year.** Please if your child isn't feeling well, do not bring them to school. Not only to prevent others from getting sick, but also to give them time to heal and get healthy again!
- CCS Auction is fast approaching! Ticket prices this year are \$15 each.  
Table of 8 for \$100  
Table of 14 for \$150

## Phonics/Reading

This week in phonics we will learn about r-Controlled vowels ar, or, ore. This week we will read **The Garden: Frog and Toad Together.** This is a fantasy, so it's a made up story that could not happen in real life. The story talks a lot about gardens, so feel free to talk about things people grow in their gardens! 😊

## Grammar/Writing

This week we are learning about subject pronouns. Example: **The leaf is green.** Instead we would replace the subject, the leaf, with it. **It** is green. We will talk about a variety of pronouns this week, and again this is a new concept for the kids, so please let me know if they need any extra help.

## Math

We're starting a new unit in math this week. In Unit 4 we will work on sorting objects and discussing what attributes and rules contribute to the placement of them. We will also continue to work on addition and subtraction of numbers up to 20, telling time, and work a little on coins. Again, if you notice your child having any troubles in math, please let me know! Things are getting harder, so I don't want them to miss out on important things!

## Memory Verse

Here is our memory verse for the month of February! 😊

~ [Romans 13:8](#)

"Let no debt remain outstanding, except the continuing debt to love one another, for whoever loves others has fulfilled the law."

If you have any questions or concerns, please feel free to email me ([fhills@canyonsidechristian.school](mailto:fhills@canyonsidechristian.school)) or talk to me before or after school!
