### Phonics/Reading

This week in phonics our focus is on the vowel pairs ow and oa. We will also learn about contractions 've and 're. This week we will read Tomas Rivera. This is a biography, so it will tell us about someone's life in chronological order. Talking about people in the past that did great things would be a great topic to discuss at home this week! 😊

### Grammar/Writing

This week we are learning about the future tense of words. We will also discuss synonyms, different words that mean have similar meaning. In writing we've been talking about personal narratives and writing friendly notes and letters. If your child brings home any writing this week, please encourage them to use friendly and or loving words when writing.

### Math

In math we are wrapping up our unit on different strategies for adding and subtracting whole numbers. Again, if you notice your child having any troubles in math, please let me know! Things are getting harder, so I don't want them to miss out on important things!

### Memory Verse

Here is our memory verse for the month of February! 😊

~ [Romans 13:8](#)

"Let no debt remain outstanding, except the continuing debt to love one another, for whoever loves others has fulfilled the law."
