#### Memory Verse

"Better is a patient person than a warrior, one with self-control than one who takes a city." Proverbs 16:32

#### Weekly Focus

**Essential Question:** What kinds of things could happen on a hike?

**Sight Words:** go here soon for they up

We are blending and segmenting words to build our reading knowledge.

We will practice reading with expression and learning more about verbs.

The letters Dd will be introduced into our routine this week. We will focus on finding this letter at the beginning and end sounds of words.

We are working on our writing skills daily. We copy as well as sound out and spell our own words. We are working on simple sentences that include our sight words.

#### What we're Learning

Our math time together is being spent on shapes and learning about the clock. We are learning how different shapes can be used to make an even bigger, yet different shape. The introduction of time will be a fun change to our routine.

Bible lessons are moving steadily through the old testament. Please work with your child on committing their memory verse to their hearts. Memorizing God's word is a great practice to keep the Bible with us at all times.

Pete the Cat is going home with a student today!! This is a fun journaling activity for the whole family. Please share the adventures you have with Pete through pictures, drawings or words. The cat and journal will return to school Monday and the child who got to spend time with him will get to share their adventures.

#### Contact Me

The best way is through written note, email or in person at the end of the school day.
