"Better is a patient person than a warrior, one with self-control than one
who takes a city." Proverbs 16:32

Weekly Focus

Essential Question: In what ways is the Atlantic Ocean important?

Sight Words: will into your be that who

We are blending and segmenting words to build our reading knowledge.

We will practice reading with expression and learning more about verbs.

The letters Rr will be introduced into our routine this week. We will focus
on finding this letter at the beginning and end sounds of words.

Pete the Cat is going home with a student today!! This is a fun journaling activity for the whole
family. Please share the adventures you have with Pete through pictures, drawings or words. The
cat and journal will return to school Monday and the child who got to spend time with him will get to
share their adventures.

What we're Learning

Our math time together is being spent on shapes and learning about
the clock. We are learning how different shapes can be used to
make an even bigger, yet different shape. The introduction of
time will be a fun change to our routine.

Bible lessons are moving steadily through the old testament. Please
work with your child on committing their memory verse to their
hearts. Memorizing God's word is a great practice to keep the
Bible with us at all times.

We are running low on snacks. Crackers, cereal and fruit snacks last in the
cupboard and are loved by the students. They also enjoy fresh fruit, cheese and
yogurts. Thank you!

Contact Me

The best way is through written note, email or in person
at the end of the school day.
