Weekly Focus

Essential Question: How do musicians work together to make music?

Sight Words: make them give play say new

We are continuing to blend our sounds to build our word knowledge. We will work on multi-meaning words and pronoun use in sentences. We are working on our writing skills daily. We copy as well as sound out and spell our own words.

Our literacy centers have expanded and allow the students 12 different ways to do word work throughout the week. This is a fun and engaging time for them as they work on their language skills.

What we're Learning

Math is full of calendar, numbers and counting, adding, time, shapes and more! We are diving further into coins and beginning subtraction.

Our Bible time this month will be spent on the Easter story. We will learn the story, the verses, and do art projects. I love this time of year!

Pete the Cat is going home with a student today!! This is a fun journaling activity for the whole family. Please share the adventures you have with Pete through pictures, drawings or words. The cat and journal will return to school Monday and the child who got to spend time with him will get to share their adventures.
