Canyonside Christian School

Week of March 19 - March 29, 2018

Greetings CCS Families,

We had a great time in Chapel this morning. Mrs. Cunningham's class shared the rest of the Resurrection Eggs with us and we had Pastor Will with us today. He shared the story of the two disciples who were on the road to Emmaus and Jesus met them along the way. They didn't recognize him and were telling him how they were disappointed because they believed Jesus was the one who would redeem Israel, yet when they went to his tomb it was empty. In life, we often get disappointed because we think Jesus didn't fulfill a promise in our life. However, if we claim to believe in Jesus, we need to believe everything about him and believe he keeps **all** his promises, just as he kept his promise, with his disciples, that he would be crucified and on the third day, he would raise again!

Registration for the 2018-2019 School Year

CCS Registration is open! Pick up a registration form in the office. Registration is now open to the public. Our K-2 class and K-3 classes are almost full for next year. Please plan to register your child right away, if he/she will be attending K-2 or K-3, as we have only a few spots left. Please help us spread the word about our great school. Summer Registration packets are now available. Pick one up in the office today.

Parent Teacher Conferences

We are looking forward to seeing our CCS parents for Parent Teacher Conferences. It is always a joy to get to share the amazing progress that your children are making! Because your child's academic success is so important to all of us at CCS, we are asking that no students or siblings attend conferences with their parents. Having children or siblings in on parent teacher conferences can make it difficult to share your child's progress. We are also asking that parents plan appropriate child care for their children during their conference times. The EXCEL Program will be available from 2:45 - 5:30 each night. Children will need to be signed in and out of this program. We are also asking that children not be unattended in the hallways, the Library or the Multipurpose Room. We thank you for your understanding of this policy and look forward to seeing you tonight and tomorrow at your parent teacher conference.
