Weekly Focus

This week we will begin focus on the Long Uu sound in our reading and worksheets. We are reviewing all sight words daily. Please keep reviewing your rings at home as well. New sight word sheets are being sent home for fluency. You can easily check off the words that are well-known to better work on those that are not!

We are working on our writing skills daily. We are now working on story building. This is a fun and creative activity! Encourage writing and story telling at home to build these skills

What we're LEARNING

We are discussing Jesus and his work on this earth. He performed many miracles and the children are amazed at his actions daily! We are trying to act like Jesus, treating others with love and kindness. Our Fruit of the Spirit focus this month is Faithfulness.

In math we are focusing on subtraction. We are venturing up to 10 fact families to build our skills.

Pete the Cat is going home with a student today!! This is a fun journaling activity for the whole family. Please share the adventures you have with Pete through pictures, drawings and words. The cat and journal will return to school Monday and the child who got to spend time with him will get to share their adventures.

CONTACT ME
